02 July 2026

Kia ora e te whānau,

As we wrap up another incredible term, I want to take a moment to reflect on the vibrant energy, learning, and community spirit that have defined the last eleven weeks. Our students have dived headfirst into our core concepts this term, showing immense curiosity and growth. None of this would be possible without the incredible partnership between our school, our families, and our wider community.

Here are some of the highlights from the final weeks of Term 2:

Whānau Matariki Evening

What a magical night! Thank you to everyone who joined us for our Whānau Matariki Evening. It was wonderful to see our school community come together under the stars to reflect on the past year, celebrate the present, and look forward to the future.

STEM & Sustainability

This term, our school-wide concept has been Sustainability, and our students tackled it head-on through some incredibly fun STEM (Science, Technology, Engineering, and Math) activities with Ms Jo, such as building robots from everyday materials.

School Parish Mass

It was wonderful to gather as a faith community for our recent School Parish Mass. Our students represented the school with immense reverence, leading the Mass beautifully through readings, song, and prayer. Thank you to Father Neil and all the parishioners who welcomed us so warmly. It is always a beautiful reminder of the strong spiritual foundation that grounds our school.

An explicit, massive shout-out goes to our hard-working staff and community.

To our teachers and support staff: thank you for your endless energy and unwavering dedication to the well-being and education of our tamariki. You are the heartbeat of this school.

To our parents, caregivers, and volunteers: whether you helped with trips, the Matariki evening, or home learning, we appreciate you. A strong community makes a strong school, and we are incredibly lucky to have you in our corner.

We wish you all a safe, happy, and restful winter holiday. Stay warm, enjoy the extra family time, and we look forward to seeing everyone refreshed and ready for Term 3!

God Bless, *Vimi Chandra*

Other notices

Devonport Health Centre Pharmacy

From June 2nd, Devonport Health Centre Pharmacy can provide services for children for minor ailments. Fully funded for eligible children under 14 years of age.

The Funded Minor Ailment Service provides eligible patients with convenient, funded access to treatment for a range of common conditions, e.g., fever & pain, dehydration, eye infections, and head lice.

A QR code to scan will be available in the office.

Sushi orders

Next term is a 10 week term so if you are doing a term order it is \$50. Please bring cash to the office. Casual weekly orders are also okay.

Noughty Wasters trip

Please go to the Skool Loop app and see the information and permission form for this trip. We are still in need of some parent helpers.
