Devonport Family Medicine is a well-established medical practice that has served the local community for many years. It is GP owned by Dr Pieter Veenhuijsen who works full-time and has been based in Devonport for over 13 years. A female GP is also available on a weekly part-time basis. A patient and family-centred approach underpins a commitment to provide patients with same day appointments and urgent care within opening hours. A psychotherapist, counsellor, audiologist and psychiatrist all work from the practice making these services also easily accessible to patients. Together with an experienced and dedicated nursing and admin team, the practice is committed to delivering quality health care with a personal touch.
