Nga mihi nui ki a koutou whānau, and a warm St Leo's blessing on you all

Assumption of Blessed Mary

God chose Mary to be the mother of his son, Jesus. Mary was always ready and willing to do whatever God wanted. Because she was so special she was taken up body and soul to be with Jesus in heaven – this is what 'Assumption' means.

The Solemnity of the Assumption of the Blessed Virgin Mary (to use the fancy name for this day), we remember when Mary was taken ("assumed") into heaven, body and soul, after she died. You will not find this story in the Bible. However, a tradition handed down from the earliest days of the Church says that Mary died in Jerusalem and was buried in a tomb. But when the apostles opened the tomb again, her body was gone. Why would God take Mary's body and soul into heaven? In part because Mary is special to God: she said "yes" to becoming the mother of Jesus. But God also wanted to show us that one day, all of us will share in the bodily resurrection of Jesus. Mary is the first person in the Church to experience the resurrection in its fullness.

Hail Mary, full of grace, the Lord is with you.

Blessed are you among women, and blessed is the fruit of your womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death, Amen.

Assumption of Mary Mass

On 15 August there will be a special Mass at St Francis de Sales Church to celebrate the assumption of Mary. The Mass will be at 12pm. You are most welcome to join the school.

Caring Mass

On Tuesday May Upton and Lucetta Thomas-Cheng, received caring awards at a special Mass which was held at Christ the King School. On this day the Auckland diocese remembers the work of the Bishop's Caring Foundation in connecting schools' generosity to the people in need.

The students are a vital and important part of our church community of care and support, especially this year as so many of our wonderful young people have stepped up to help those in need during the cyclone and floods.

Prayer Bag

As part of our faith journey, the students are bringing home a prayer bag. Please take time to talk about this with your child/children.

MOTAT Trip

Last week on Wednesday the whole school went to MOTAT. The focus for this trip was invent-a-machine which is part of our concept this term - Systems. The students started off at the Aviation section and had classroom exploration lessons on making a game using household materials. The students were given a challenge which they enjoyed working on as a team. Despite the weather, the tamariki had a fabulous time exploring MOTAT.

This week St Patricks students made spinach and cheese quiche. They worked well together cutting up the spinach and grating cheese. The quiche looked and smelt good. The students are using up the vegetables that they planted earlier in the year.

Mandarin Lesson

Garden to Table

In Mandarin St Catharines students are learning kung fu dance. There are some tricky moves and the tamariki are practising weekly so that they will be able to perform during one of our assemblies and show their amazing kung fu skills.

School/Parish Mass

This term our school/parish Mass will be held on 27 August. Please mark this special day on your calendar. We would like everyone to attend as this will be the last school/parish Mass for the year.

Grandparents Day

On Wednesday 30th August St Leo's will be hosting a special day for our Grandparents. The day will begin with a liturgy at 9:30am in the hall. The school choir and kapa haka groups will then perform after the liturgy. After the performance, there will be morning tea for our guests in the hall. There will then be an opportunity for students to show their grandparents around their classes and the school after morning tea.
